Turnkey Touchscreen Wayfinding Digital Signage Solutions

Waytouch Premier™ Custom Solution

- **The Ultimate** digital signage wayfinding solution.

- **Flexible** and custom designed with features you need!

- **Accurate** turn-by-turn directions to any destination with 3D maps.

- **Easy** content updates and management using your iPhone!

"These are the most intuitive and logical digital signage solutions available on the market today.

We are able to manage content and live feeds efficiently and effectively. These digital signs replaced the old static vinyl posters and created a "wow" factor"

- Doug T

Specially Made For Corporate Environments

When patrons enter your facility you want to make an immediate positive impression. By providing immediate access to on-demand information and wayfinding directions you can dramatically improve experiences.
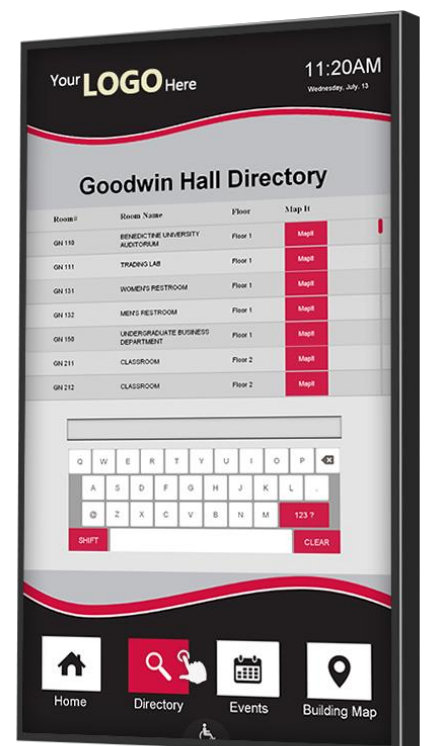

Its 3D maps can provide your visitors with turn-by-turn directions to offices, conference rooms and other locations throughout your facility. Aside from mapping you can choose to add a series of interactive button featuring:

- • Company directory
- • Meetings and event calendar
- • Conference room availability
- • Guest welcome messages
- • Company news
- • Multi-touch image and video gallery

"Your design team went above and beyond! They did a great job incorporating our branding requirements, colors, company videos, and images.

The final product met our exact needs – a superb layout with beautiful custom graphics."

- Natalie Z

The Ultimate Wayfinding Solution

The Waytouch Premier™ comes with a variety of map views that are specifically designed for quick and easy destination finding.

- • MapIt button for route directions
- • Route animations with virtual directions
- • Multi-floor directions 360-degree viewing
- • High level 3D view with directions
- • Built-In touchscreen keyboard

Waytouch Premier™ Custom Solution

Pinch and Zoom Wayfinding Maps with Directory

Included with the Waytouch Premier™ is the creation of beautiful maps. To create a map all that we need from you is a list of destinations and scanned in image or CAD drawing of your facility map. Our design team will handle the rest!

• ADA Compliant with Wheelchair easy access button.
• Multi-Language button that supports multiple languages.
• All directions are shortest path & ease of accessibility (Smart Pathway Algorithm)
• Directions automatically are generated once a destination is selected.
• Directions can be selected to be sent to mobile device.

"I couldn't believe all these amazing features came built in standard. No add-on a La Carte' pricing, no extra charges

I told them what I wanted and they designed a beautiful, easy to manage solution that simply exceeded my expectations! What a great experience!"

- Kelly M

"The slick, modern design of the has never failed to impress our guests. We have had many compliments. Thank you!"

- Sandra S

Feature FAQ

Limit to number of features I can select?

You can choose as many features as you need. Pricing still remains the same regardless of number of features you select.

How does my logo, branding and company information get added to the content?

When placing your order let us know the features you would like, provide your logo and other branding requirements. Our design team will creatively incorporate everything.

Do I get to see and approve content before receiving solution?

At each step of content creation your review, feedback and approval is required. Once approved your order ships fully configured for immediate out-of-the-box use.
