Feature FAQ

Limit to a number of features I can select?

You can choose as many features as you need. Pricing remains the same regardless of the number of features you select.

How does my logo, branding, and company information get added to the content?

When placing your order let us know the features you would like, provide your logo and other branding requirements. Our design team will creatively incorporate everything.

Do I get to see and approve content before receiving solution?

At each step of content creation your review, feedback, and approval are required. Once approved your order ships fully configured for immediate out-of-the-box use.
