58" MonteCarlo Commercial Grade Kiosk

"These are the most intuitive and logical digital signage solutions available on the market today.

We are able to manage content and live feeds efficiently and effectively. These digital signs replaced the old static vinyl posters and created a "wow" factor"

- Doug T

This all-in-one commercial grade kiosk boasts an ultra-small footprint and incredibly thin profile. It features a smooth, elegant design that offers the reliability needed in today's marketplace.

- **A reliable** solution for comprehensive facility wayfinding.
- **Custom** designed with the exact touchscreen features you need.
- **Accurate** turn-by-turn directions to any destination with 3D map.
- **Easy** content updates and management using your iPhone!
- **Only available here** custom built, tested, and turnkey.
- **Ships** ready to use.

Feature FAQ

Limit to number of features I can select?

You can choose as many as you need. Pricing still remains the same regardless of number of features you choose.

How does my logo, branding and company information get added to the content?

When placing your order let us know the features you would like, provide your logo and other branding requirements. Our design team will creatively incorporate everything.

Do I get to see and approve content before receiving solution?

At each step of content creation your review, feedback and approval is required. Once approved your order ships fully configured for immediate out-of-the-box use.
