Turnkey Touchscreen Wayfinding Digital Signage Solutions

Waytouch Premier™ Medical

- **Pin Point** turn-by-turn directions to buildings and classrooms.

- **Enhances** student's ability to find and view class times.

- **Improves** your ability to disseminate announcements.

- **Easy** content updates and management using your iPhone!

"These are the most intuitive and logical digital signage solutions available on the market today.

We are able to manage content and live feeds efficiently and effectively. These digital signs replaced the old static vinyl posters and created a "wow" factor"
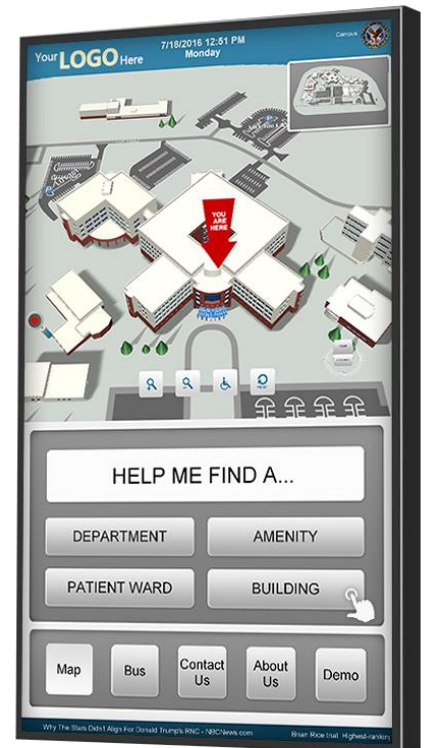

- Doug T

Specially Made For Large Hospitals, Clinics and Medical Facilities

This is a state-of-the-art wayfinding solution that will enable you to guide patients, and visitors throughout your entire facility. Using the built-in touch keyboard users can search the campus directory to receive turn by turn directions to doctor offices, departments, labs, cafeteria and other locations.

The Ultimate Wayfinding Solution

The Waytouch Premier™ comes with a variety of map views that are specifically designed for quick and easy destination finding.

- Route animations with virtual directions
- Multi-floor directions 360-degree viewing
- High level 3D view with directions
- Built-In touchscreen keyboard
- 'You Are Here' map icon
- Full pinch and zoom map capabilities
- Directions can be sent to mobile phone

Waytouch Premier™ Medical

"Your design team went above and beyond! They did a great job incorporating our branding requirements, colors, company videos, and images.

The final product met our exact needs – a superb layout with beautiful custom graphics."

- Natalie Z

Increase Patient Experiences

Improve your patient satisfaction scores with interactive wayfinding digital signage.

• Reduce stress for visitors with an interactive directory of departments and doctors

• Provide patients with turn by turn directions to any location in directory

• Offer visitors with on-demand patient care guidelines and health information

• Integrate your Patient Online Portal for bill pay and appointment scheduling

• Share information on insurance policy updates and programs

• Spotlight information on new life-saving procedures

Encourage Philanthropy

Share your vision and spotlight giving campaigns. Inspire contributions by featuring stories and videos of donors.

• Display thank-you messages
• Add photos and captions in donors' profile
• Receive donations with a Donate Now

Waytouch Premier™ Medical Facility

Included with the Waytouch Premier™ is the creation of beautiful pinch and zoom maps. To create a map all that we need from you is a list of destinations and scanned in image or CAD drawing of your facility map. Our design team will handle the rest!

• ADA Compliant with Wheelchair easy access button.
• Multi-Language button that supports multiple languages.
• All directions are shortest path & ease of accessibility (Smart Pathway Algorithm)
• Directions automatically are generated once a destination is selected.
• Directions can be selected to be sent to mobile device.

Feature FAQ

Limit to number of features I can select?

You can choose as many as you need. Pricing still remains the same regardless of number of features you choose.

How does my logo, branding and company information get added to the content?

When placing your order let us know the features you would like, provide your logo and other branding requirements. Our design team will creatively incorporate everything.

Do I get to see and approve content before receiving solution?

At each step of content creation your review, feedback and approval is required. Once approved your order ships fully configured for immediate out-of-the-box use.
