TouchPlus+™ for College Campuses

- **The Reliable** and efficient solution for sharing campus information.

- **Enhances** ability to access on-demand class times and events.

- **Improves** how you share messages, bulletins, and news.

- **Easy** content updates and management using your iPhone.

Specially made for colleges, universities, and local technical institutions

This all-in-one solution will enable you to effortlessly reach your students, staff, and visitors with essential announcements, searchable class and event schedules, touchscreen directory listings, emergency announcements and more.

You can place this college campus touchscreen digital signage solution throughout your college campus, dining and event halls, administrative buildings, libraries, student housing, cafeterias, building entrances and other high-traffic locations.

Engaging and immersive

You can add a series of touchscreen feature buttons to the interface enabling users to navigate through multiple pages of informative content and media. Choose from over 30+ touchscreen feature buttons, pinch and zoom media gallery's, plus an unlimited combination of distinctive college communication media zones that can feature;

- Scrolling tickers of campus news, NCAA scores, weather, and more
- Multi-language support with an automatic translator
- Promote seminars, alumni events and campus related happenings
- Highlight student achievements and staff contributions
- Spotlight alumni donor recognition and encourage new donations
- Interactive Screen Savers with Custom Welcomes Messages
- 'You Are Here' Campus Building Map
- Emergency Alerts and Notifications (RAVE)

TouchPlus+™ for College Campuses

Campus events and class listings

We will incorporate your Campus Management software with every digital display. This enables for automated real-time updates of all calendar events. When your internal software event and class listings update the information on the digital sign will instantly refresh. Software we integrate with include:

- **25Live / CollegeNet**: schedules, programs, class times, e-calendars
- **EMS**: meeting times, classroom schedules, and event listing
- **Sales Pro**: event and conference schedules, class times, & directory listings.
- **Micros Opera**: event schedules and POS sale listings
- **Active Directory**: directory listings
- **HTML**: website feeds

Professionally designed for you

You will receive an out-of-the-box ready to use solution. It ships preloaded with your custom visual communications content, software, and media player. Tell us the features you need then we will custom develop, test and set up everything for you.
