

## TouchPlus+™ Hotel Concierge

**The Preferred** solution for creating legendary guest experiences.

**Enhances** ability to find event and conference listings and shuttle.

**Boosts** your ability to promote your hotel guest loyalty programs.

**Easy** content updates and management using your iPhone!

### Create the Ultimate Guest Experience

If you are looking for a touch screen digital signage solution, which is custom built around your exact needs and includes all of the bells and whistles, then you will favor this professionally designed system.

This all-in-one interactive solution can seamlessly blend your properties accommodations, ongoing events, conference calendar, dining options, local attractions, shuttle times, reward club, and other important announcements into a compelling easy to use, immersive touchscreen digital concierge communications platform.

### Specially Designed For Hotels

You can add a series of touchscreen feature buttons to the concierge layout enabling users to navigate through multiple pages of informative content and media. Choose from over 30+ immersive touchscreen feature buttons, pinch and zoom media gallery's (picture and videos) plus an unlimited combination of distinctive feature media zones; popular selections include:

- Spotlight on or off premises restaurant specials
- Restaurant reviews and reservations: Italian, Steakhouse, Chinese, American, etc.
- Provide your on-demand information on services, amenities and accommodations.
- Local area attraction map: local attractions, festivals, shopping malls, and more.
- Scrolling information tickers: news, weather and sports.

*"These are the most intuitive and logical digital signage solutions available on the market today."*

*"We are able to manage content and live feeds efficiently and effectively. These digital signs replaced the old static vinyl posters and created a "wow" factor"*

*- Doug T*

*"I couldn't believe all these amazing features came built in standard. No add-on a La Carte' pricing, no extra charges"*

*"I told them what I wanted and they designed a beautiful, easy to manage solution that simply exceeded my expectations! What a great experience!"*

*- Kelly M*

## TouchPlus+™ Hotel Concierge

*"Your design team went above and beyond! They did a great job incorporating our branding requirements, colors, company videos, and images."*

*The final product met our exact needs – a superb layout with beautiful custom graphics."*

- Natalie Z

### Your Upcoming Event Listings

We will integrate your EMS software with the display enabling for instant and automated listing updates of all ongoing and upcoming scheduled events. When your EMS listings update so will the information affixed to the sign.

This eliminates the need for your management or front desk to update the listings. Platforms we natively integrate with include:

- DELPHI
- SalesPro
- ISAC
- Hyatt Envision
- Marriot CI/TY
- Ungerboeck
- Active Directory
- Micros Opera

### Professionally Designed For You

You will receive an out-of-the-box ready to use solution. It ships preloaded with your custom visual communications content, software, and media player. Tell us the features you need then we'll custom develop, test and set up everything for you.

*"The slick, modern design of the has never failed to impress our guests of the solution. We have had many compliments. Thank you!"*

- Sandra S

### Feature FAQ

#### Limit to a number of features I can select?

You can choose as many features as you need. Pricing remains the same regardless of the number of features you select.

#### How does my logo, branding, and company information get added to the content?

When placing your order let us know the features you would like, provide your logo and other branding requirements. Our design team will creatively incorporate everything.

#### Do I get to see and approve content before receiving solution?

At each step of content creation your review, feedback, and approval are required. Once approved your order ships fully configured for immediate out-of-the-box use.
